

# Nuts are being stolen by the truckload.

Specialty Crop  
Trade Council

Did you know that food and beverages have replaced electronics as the most-stolen goods in the U.S.? The hottest food items are nuts! Nuts are virtually untraceable and can be sold quickly on the black market. These criminals understand the complex world of distribution and strike when least expected. Losses from these crimes could crush companies.

**Avalon Risk Management is the officially endorsed provider of insurance solutions for the Specialty Crop Trade Council.** They offer the following for SCTC members:
